“ Hi, I am passionate, creative UX/UI designer with can do attitude. I have diverse experience in web design and mobile design. My background in IT help me to be updated in web development. I’m an enthusiastic designer who is always thinking from user’s view and thinking outside the box. ”

EXPERIENCE

UX Designer

Forcepoint LLC

SEP 2016 - CURRENT

I am working in Forcepoint LLC as a UX designer.

My responsibilities are:

- Prototyping new feature for a network security management product.
- Redesigning old product and creating modern interfaces with great UX.
- Performing a heuristic evaluation
- Holding usability test

UX/UI designer & Front end developer

Aurora Exchange Oy

DEC 2015 - JUNE 2016

I worked in AuroraExchange Ltd as a UX/UI designer and front-end developer

I had a wide range of the responsibilities such as:

- Designing sitemap, wireframes, mockups and UI designs
- Building low and high fidelity prototypes (paper sketches or related tools)
- Creating simple user friendly solutions to displaying and interacting with complex data
- Validate designs through usability testing
- Implementing designs into production quality static HTML, CSS and BOOTSTRAP.

UX/UI Testing

Frosmo Ltd

NOV 2015 - DEC 2015

A short project, which included getting familiar with Frosmo's software, designing a usability test, running the test on several participants, analysing and observing the results, and providing the company with descriptive, visual UI/ UX solutions. This project was done through the course UI/ UX Design in Helsinki Metropolia University of applied Sciences

Web designer & Front end developer intern

Mfore

May 2015 - August 2015

During this internship my tasks were related to front-end development and web design.

EDUCATION

Bachelor of Information Technology (IT)

Metropolia University of Applied Sciences

Finland

AUG 2012- FEB 2017

My bachelor degree is specialized in Programming and UX/UI design.

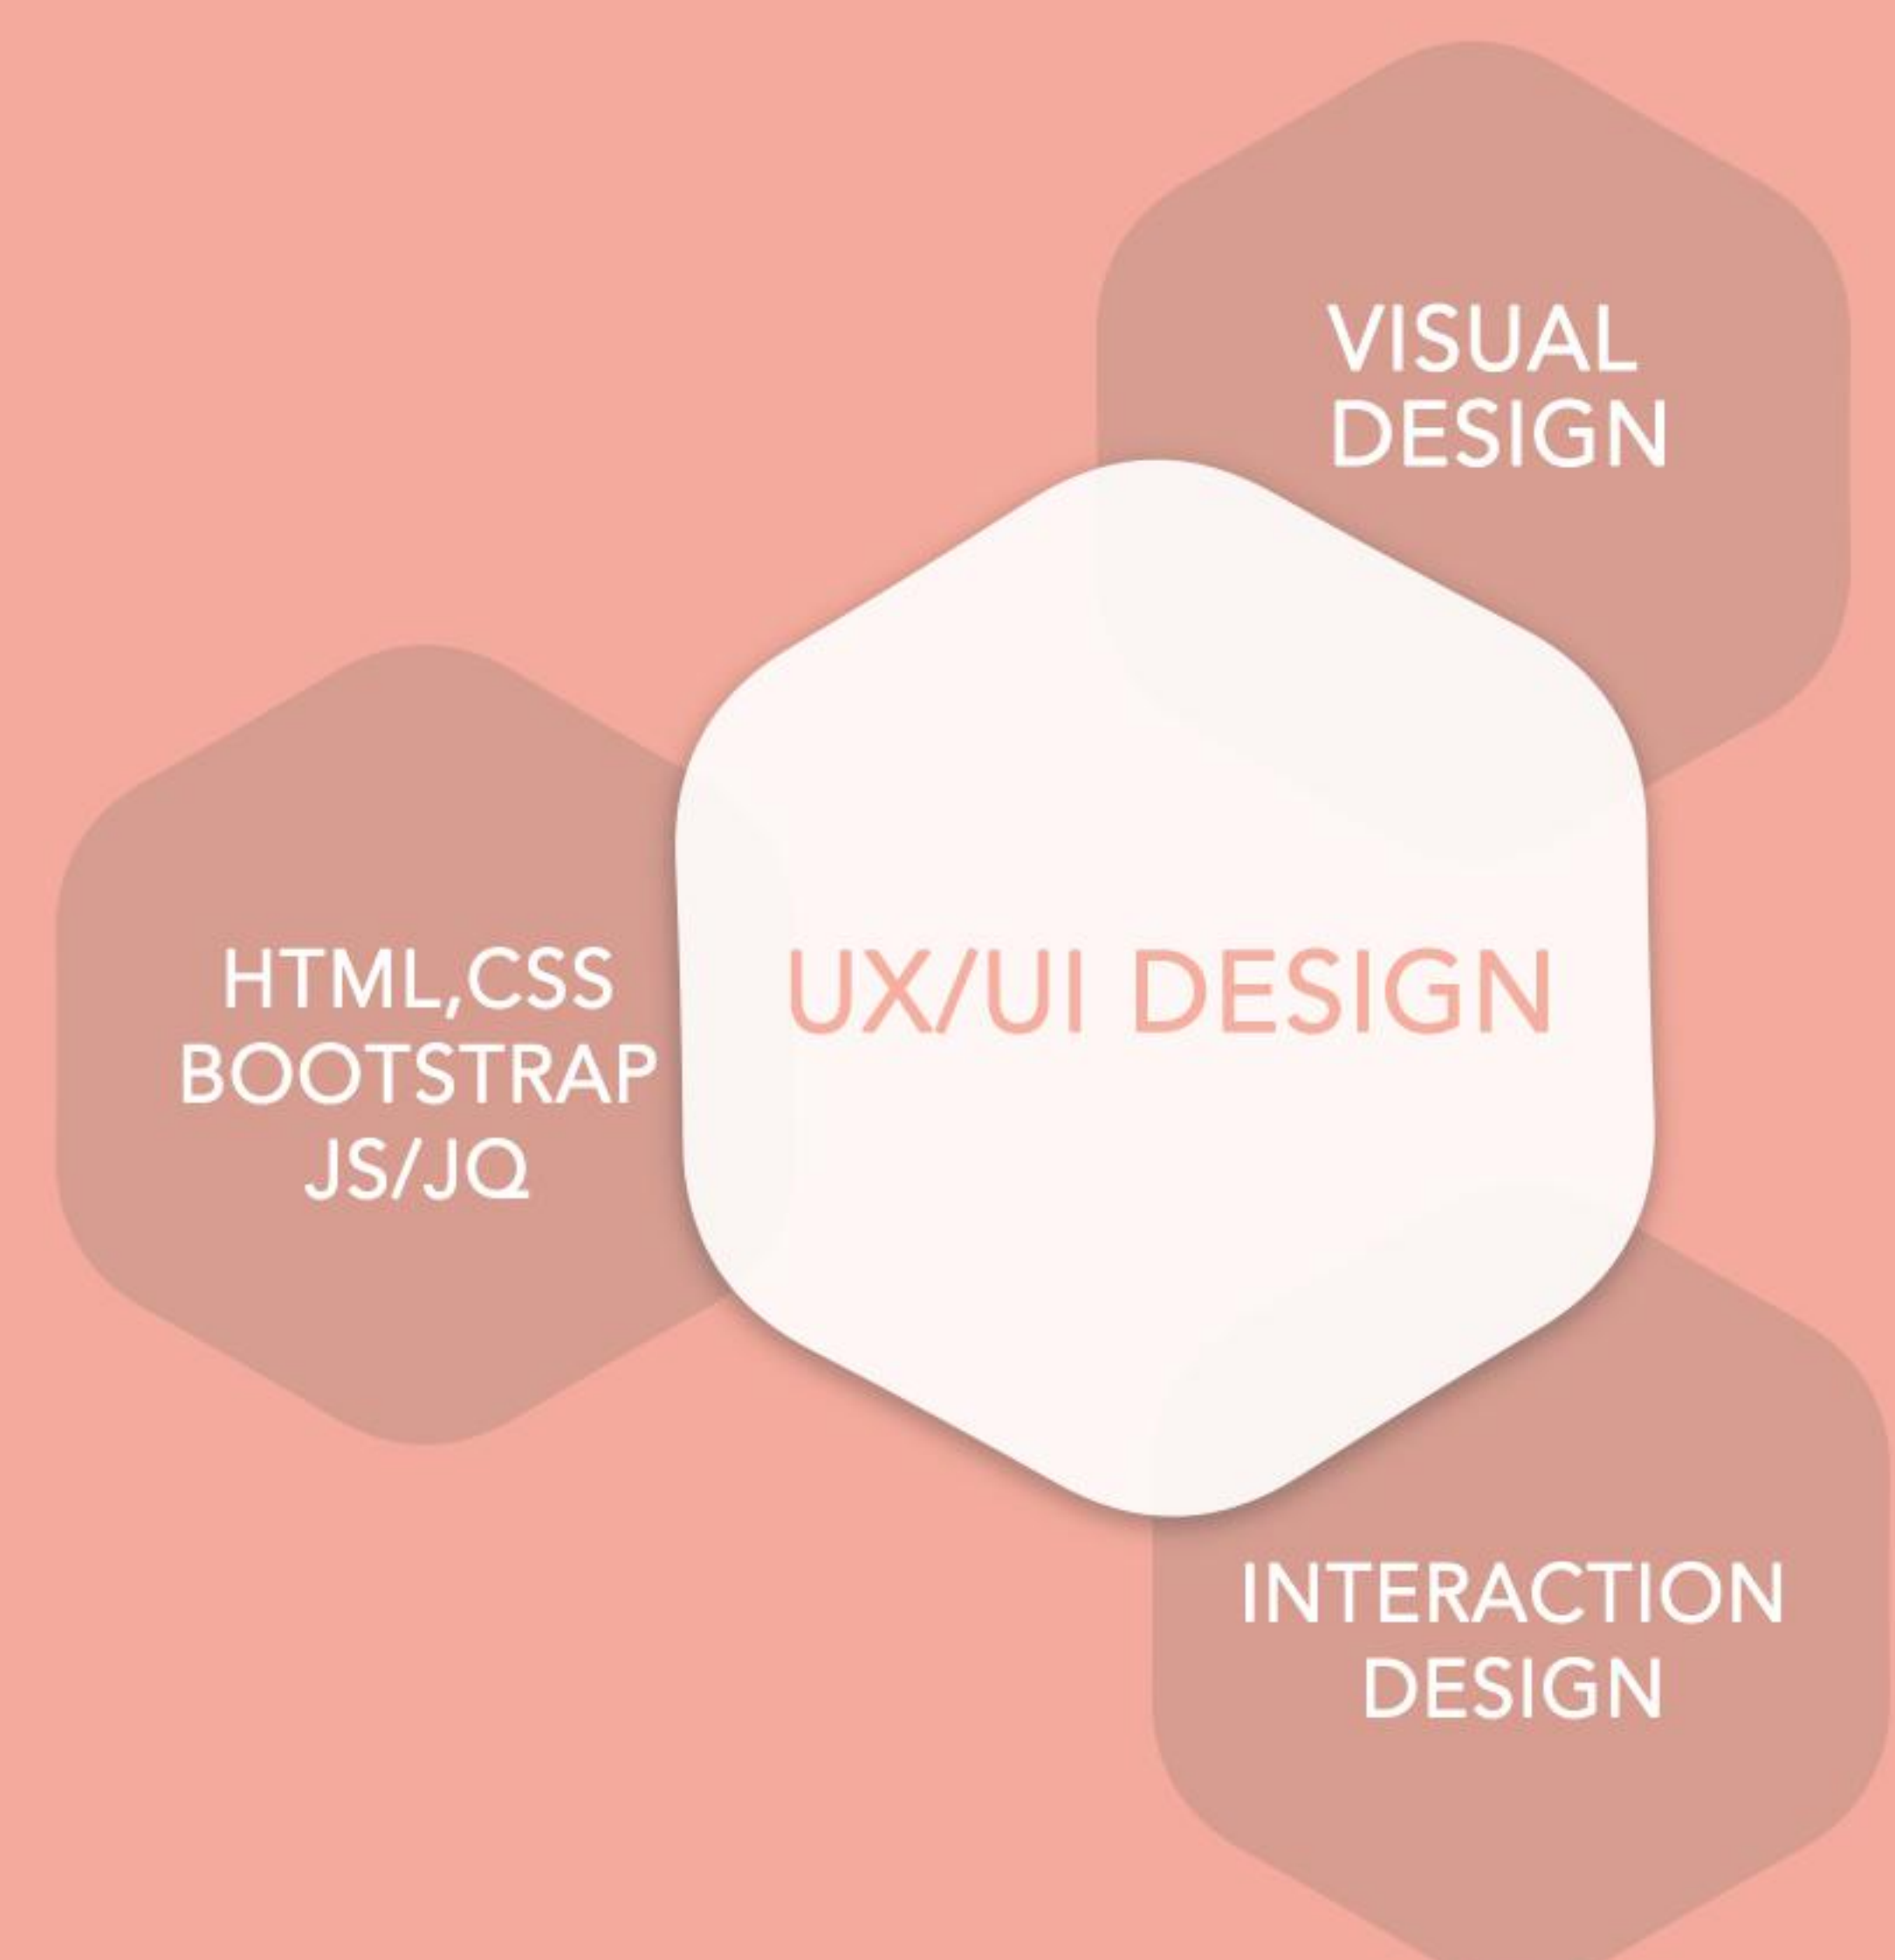

Bachelor of Architectural Technology Engineering

Qazvin Islamic Azad University

AUG 2007- JULY 2011

I graduated with very good GPA from one of the best university in Iran
